Before the Day

Your responsibilities:

- Know the referees for your sport: [+](#) Referees
- Create a group chat with all referees for your sport (PM's may have done this already)
- Send the following to referees:
 - Rulebook ➤ [[PDF Zonals Rulebook 2025.pdf](#)]
 - Make sure they register ➤ [Insert Reg Link]
 - Confirm arrival timings and remind them to bring a whistle & watch.
 - Send Referee Allocations (depending on your sport, ie. don't send to netball) ➤ [[+](#) Referees]

Familiarise yourself with:

- The website - [Insert Website Link]
 - Knowing the process for submitting scores: A group chat will be made with fixture leads ((Anupran & Priya) + PM's + POCs), once a match is over either yourself or runners will send the scores on that group chat.
 - Fixture schedules ➤ [[+](#) Final LZ/SZ Fixtures 2025 & [+](#) NZ And CZ Fixtures 2025]
 - How teams progress to the next stage
 - Contingency plan in case matches overrun

Optional (Run it by PM first):

- Run a Captains Briefing before the day for captains of your sport to clarify specific rules and save time on the day.

Important:

- Know the rulebook for your sport inside out.
- Understand the fixtures and the website system thoroughly.

On the Day

You are the main decision-maker for your sport. Responsibilities include:

- Make decisions promptly and confidently.
- Ensure pitches are set up with ample time
- Keep **accurate time** for all matches.
- Resolve any **major issues** - only escalate if necessary.
- **Update scores** live on the website.
- Run a short **Captains Briefing** (before matches begin).
- Familiarise yourself with the **pitch locations** and ensure everything runs on schedule.

For any issues, contact:

- **PMs:**
 - Manav (Central/North Zone)
 - Eashan (London/South Zone)
- **Support:** Pallavi or Aashika

! Please make educated decisions before escalating smaller issues to PMs.

RUNNERS

You are assisting the Head of Sports in ensuring matches run smoothly and on time.

Responsibilities:

- Work closely with the Head of Sports to keep track of fixtures and ensure the next teams are ready.
- A group chat will be created with fixture leads (Anupran & Priya), PMs, and POCs. After each match finishes, please send the final scores in the group chat immediately.
- Conduct the toss, including asking dharmic questions.
- Clear the pitch quickly so the next teams can begin their matches.

- Support with timekeeping and help maintain the flow of games.
- Communicate with referees and teams to ensure transitions are efficient.
- Take care of the referees, **offer them water, ask them if they want food! Look after them.**

Key Reminders:

- **REFEREES ARE VOLUNTEERS - IT IS NOT THEIR JOB TO GET TEAMS READY**

- Be proactive, take initiative, and assist the Head of Sports in decision-making when needed.

Your efficiency and communication directly impact how smoothly each sport runs.

USHERING

You are guiding participants and managing crowd flow.

Responsibilities:

- **Guide participants** from coaches and registration to their respective sports areas.
- **Know the timetable inside out** – different sports start at different times and locations.
- Ensure players and teams are **in the right place at the right time.**
- Help direct attendees towards the **opening and closing ceremonies** on time.
- Be ready to **disperse crowds**, manage flow between areas, and keep event spaces clear.
- Stay alert for any **hazards** or safety issues and **report them immediately.**
- Be **proactive, assertive, and efficient** - do not faff around or wait for instructions.

Your confidence and initiative will keep the event running on time and create a positive experience for everyone attending.

REGISTRATION

Setup:

- **4 desks in total:** 2 per zone (North & Central).
- Each desk has **2 team members.**
- **2 additional volunteers** will scan QR codes in the queue.

Process:

1. While students queue, **scan QR codes**.
 2. At the registration desk:
 - Confirm QR has been scanned.
 - Search their **name on the database**.
 - Check **Student ID**.
 - Provide a **wristband** labelled with:
 - University Name
 - Sport Played
 3. If someone hasn't registered via Ticket Tailor:
 - Direct them to the **on-site registration desk**.
 - They'll fill out the QR form on-site.
 - Add their name to the **separate sheet** for on-the-day registrations.
-

FIRST AID

Responsibilities:

- Respond quickly and efficiently to all injuries.
- Ensure at least two First Aiders are present at each location at all times.
- Keep a log of all incidents throughout the day.
- Fill out an incident report form immediately after each incident.

Safety Requirements:

- You must wear high-visibility clothing at all times – this is a legal requirement.
 - We've noticed at past events that some First Aiders don't wear their **high-visibility vests**.
 - **WEAR YOUR HIGH-VIS AT ALL TIMES.**
-

FINAL NOTES

This event is a reflection of all the time, effort, and teamwork that the project team has put into making it happen. Every role plays a part in creating a smooth, enjoyable, and memorable day for everyone involved.

Be proactive, stay switched on, and help wherever you see something that needs doing. **Communicate clearly, support one another, and take initiative.**

Chapters and spectators will take their lead from you. Your energy, attitude, and professionalism set the tone for the whole event.

Please can we make this a day that runs smoothly, feels organised, and shows the best of what we can achieve together.
